## Home Parties . . . What a Blessing!

It seems like yesterday Bobbie Jo and I opened the doors of Living Water Creations in January 2006 and were sewing custom handbags until our fingers hurt. Now we have more products to accompany our custom handbags and have just finished conducting our 26<sup>th</sup> home party since beginning them in November 2006.

We certainly appreciate all our hostesses. We have met such wonderful women through our beautiful hostess's home parties. We've had the privilege of meeting strong women of faith and women who are just starting their journey. We've had the privilege to meet women with stories of triumph who have battled illness or hardship and

came through the other side with an even deeper relationship with Jesus Christ. We've had the privilege to meet women who needed a little encouragement to embark on what God has been calling them to do and then others who have been such encouragement to us that simply saying, "Thank You!" to them just doesn't seem adequate.

In February, we were invited to Lakeshore Christian Church in Antioch, TN. We gave our testimony during a women's ministry event entitled, "Live Life to the Fullest". What a blessing to be able to talk with other women about our journey. Since that time, we have spoken at two other churches - one in Nashville and one in Dublin, OH.

God has enlarged our territory. He's sending us out to speak with more women about his Word and the beautiful women of the Bible who each played such a vital role in His kingdom.

The past six months have been a time of planting for Living Water Creations. We're beginning to see some of those seeds sprout and are looking forward to a rich harvest!

### Hong Kong Trip a Success

Bobbie Jo and I went to Hong Kong April 8-16 to attend the China Sourcing Fair. We got to visit booth after booth of handbags and after asking an exhausting list of questions, we chose a manufacturer for our fall line. We are in the process of receiving handbag samples that we designed with new scriptures on them and fun new styles. We can't wait to share these exciting new handbags with you!

### Ohio Filled with Godly Women

The weekend of April 27, we were on the road to Ohio for the Women of Faith Conference in Columbus, Ohio. It was our first time attending, and we enjoyed sharing a weekend of faith with the other 18,998 women in attendance. An added bonus was getting to meet Anita Renfro, the author of *The Purse-Driven Life*, and having her sign our handbags.

### Check Out Our New Look

Take a look at our new logo! Thanks to the creative genius of David Burns, Living Water Creations is on its way to a new look. Our logo has changed and David has also designed some original clipart (see girl above) just for us. Our website is on its way to receiving a facelift, so stay tuned!
