One Purse at a Time!™

Get up...Get Going...God Can't Use You As a Blob on the Floor!

By Marti Donovan

So, who would have known that growing a business comes with such growing pains!?! With two people in our company, we certainly have to pull from our individual strengths as well as be willing to stretch our edges and dare to walk in the unknown.

Living Water Creations is in the midst of taking a giant leap of faith. Getting ready to take our company to the next level has proved to be a challenge for both of us. There are times when we feel as though we are peering through a mist—squinting in the fog. However, we have found that it's never long be-

fore the weather clears and the sun shines bright.

We have received such favor in starting this business. God has truly provided for us! We have received favor from different experts, from our webmaster to our marketing consultant. We have received favor from our customers, as we try out new products and figure out what works and what needs improvement. We have received favor from our hostesses who have shown outstanding hospitality and assured our success through their hard work in everything from inviting guests to the wonderful food they served.

As we continue to walk in faith, we are embarking on yet another great adventure. We've spent

much time in prayer and asking for His guidance. One thing we've learned along the way is that God will open doors or close them tightly. I don't know about you, but I want to be leaning against the doors He opens for me, so when the time is right, I'll fall through!

So, as we venture through to the next phase, we are doing so with faith and discernment. Like the women of the Bible that we have named our handbag lines after, we are believing God, walking in faith and putting our faith into action.

If you hear clearly from God, get up off the floor and fall through the door. God can't use you otherwise.

Living Water Creations Welcomes Their First Pursenal Advisors

Monday, July 30, 2007, we held our first *Pursenal* Advisor recruiting meeting and are proud to introduce three wonderful women who will join us in our quest to spread God's Word...one purse at a time!

Angela Patterson (Smyrna, TN), Katie Hughes and Susan Frost (both of Mt. Juliet, TN) have started their Living Water Creations Purse 'n Praise Home Party

business. Each has gone through training and will be offering Living Water Creations' products at Praise 'N Purse Home Parties while telling the stories of the women of the Bible that our handbag lines are named after.

We are so excited to have these women on board. Each has her own unique style and reason for becoming a *Pursenal* Advisor. We will spot light each Advisor in upcoming

newsletters so you will have a chance to meet these faith filled women.

If you are interested in finding out the benefits of becoming a *Pursenal* Advisor, contact Bobbie Jo Caldwell at 615.500.4318 or bobbiejocaldwell@hotmail.com.
