**Living Water Creations Welcomes Their First Pursenal Advisors**

We have held our first Pursenal Advisor recruiting meetings and are proud to introduce four wonderful women who will join us in our quest to spread God's Word...one purse at a time!

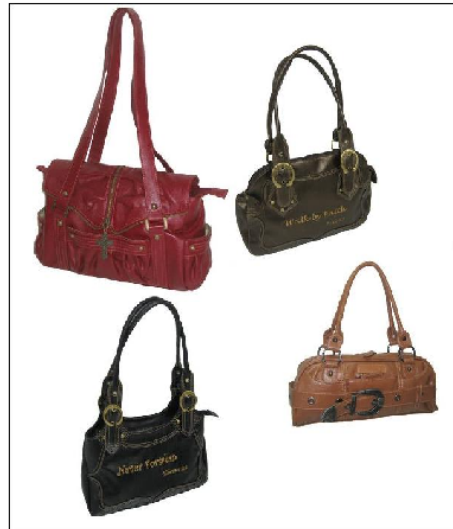

Angela Patterson (Smyrna, TN), Shawn Gordon (Nolensville, TN), Katie Hughes and Susan Frost (both of Mt. Juliet, TN) have started their Living Water Creations Purse 'n Praise Home Party business. Each has gone through training and will be offering Living Water Creations' products at Home Parties while telling the stories of the women of the Bible that our handbag lines are named after.

We are so excited to have these women on board. Each has her own unique style and reason for becoming a Pursenal Advisor. We will spot light each Advisor in upcoming newsletters so you will have a chance to meet these Faith Filled women.

If you are interested in finding out the benefits of becoming a Pursenal Advisor, contact Bobbie Jo Caldwell at 615.500.4318 or [bobbiejocaldwell@hotmail.com](mailto:bobbiejocaldwell@hotmail.com).

So, who would have known that growing a business comes with such growing pains!?! With two people in our company, we certainly have to pull from our individual strengths as well as be willing to stretch our edges and dare to walk in the unknown.

Living Water Creations is in the midst of taking a giant leap of faith. Getting ready to take our company to the next level has proved to be a challenge for both of us. There are times when we feel as though we are peering through a mist-quinting in the fog. However, we have found that it's never long before the weather clears and the sun shines bright.

We have received such favor in starting this business. God has truly provided for us! We have received favor from different experts, from our webmaster to our marketing consultant. We have received favor from our customers, as we try out new products and figure out what works and what needs improvement. We have received favor from our hostesses who have shown outstanding hospitality and assured our success through their hard work in everything from inviting guests to the wonderful food they served.

As we continue to walk in faith, we are embarking on yet another great adventure. We've spent much time in prayer and asking for His guidance. One thing we've learned along the way is that God will open doors or close them tightly. I don't know about you, but I want to be leaning against the doors He opens for me, so when the time is right, I'll fall through!

So, as we venture through to the next phase, we are doing so with faith and discernment. Like the women of the Bible that we have named our handbag lines after, we are believing God, walking in faith and putting our faith into

inside pockets and a large zipper pocket on the outside. This handbag is available in brown and bronze.

The other two handbags will be featured in our Tamar Collection. One of the handbags has "Never Forsaken Hebrews 13:5" embroidered on the outside, stylish outside hardware, an outside zipper pocket and three inside pockets. This cute handbag is available in black and red. The other handbag in the Tamar Collection has outside buckle hardware, three outside pockets, and two inside pockets. It has "Never Forsaken" embossed above the outside zipper pocket. It is available in light brown and a brown/orange.

We know you are going to love these handbags and what they say about you!

If you hear clearly from God, get up...get going and fall through the door. God can't use you as a blob on the floor.
